

THE BOYS CREED

I am a deliberate product of God's intentional action.

My birth isn't by mistake. I am a Child of God and I am loved unconditionally.

I am not a result of wrong decisions or accidental mating.

My Destiny was carefully crafted before the foundation of the world.

I am not an error. I am a Solution sent to the World now, for a specific reason.

I am not my past! I am not my mistake!

I take full responsibility for my life and I live for my better tomorrow and not my yesterday.

I am a Man on a Mission and a carrier of a Divine destiny.

Therefore, I face my fears with faith and fight my battles with hope.

I am Responsible, Honourable, Reliable, Humble, Resourceful and Noble.

My life is guided by Truth and Integrity.

I am a Leader - I am led by God's Spirit, I lead by Example,

I lead with Humility and lead to gather.

I am led by Love and I walk in peace.

I am a Global resource and not a problem to my society.

My impact reaches eternity and my wealth spreads across the globe.

I am wealthy! I am healthy! I am Strong and powerful!

My heart is directed by Wisdom and my thoughts are pure and true.

Everything I touch turns to Gold and Excellence is the least I can ever offer.

I am immune to the sickness of my days.

I carry the Spirit of Distinction.

I am an Influential Man! I am a Warrior.

I submit to the process of my rising and choose to go through the path of hard work.

I won't cut corners, avoid the curve or opt for a fast-food option to success.

I cannot be little and I won't play small.

My words carry authority, I won't utter them carelessly.

I am not an ordinary Boy.

Nothing is permitted to be ordinary about me and around me.

I hate gossip, backbiting, backstabbing, small talks,
cheap popularity, abuse, corruption, immorality and ungodliness.
My heart is filled with Creative ideas and my legs are ready to run.

I have a seeing eye, ears that hear and a bridled tongue.

I am a Righteous Man. I am a Warrior!

I rise above the slavery of money, fame, and popularity.

I am Purpose-driven, Vision-driven, God-driven, Love-Driven and Peace-Driven.

I am committed to serving my Maker.

I won't stop until He tells me to return to him.

I am not just a Super Star. I am a Star Role Model.

The world shall come to learn and lend from Me. They shall also gather to learn of me.

I shall lead my home with the purity of my heart.

I shall protect my friends, girls and women against every form of oppression and inequality.

I am a Man. I am a god! When I cry, I am not weak.

When I rise, I am not proud. I won't give up until I become all of God's intent for my life.

I won't sit back until I achieve my goals.

I won't rest until I hear my maker say to me, WELL DONE.

My life is planted in the hands of the Creator of the heavens and the Earth.

I cannot die by mistake, by error or by accident.

I AM A WARRIOR AND THIS IS MY CREED!
